Students all smiles after summer placements in various companies in Amritsar on Wednesday.

SUMMER PLACEMENTS AT IIM-A

Amritsar: The Indian Institute of Management, Amritsar (IIM-A) achieved a significant milestone by securing summer placements for its entire MBA batch of 2023-2025. The year saw a record-breaking number of participating companies, with over 130 recruiters joining the process, including 40 new participants. The institute highlighted a 7 per cent increase in the top quartile stipend for summer internships, reaching a maximum of Rs 2,00,000. The increase reflects the commitment to provide enriched learning experience for students. Several prominent companies participated in the placement, including Adani Group, American Express, EY, ICICI Bank, Infosys, Kotak Mahindra Bank, L&T and Tata. Notably, start-ups also joined the recruitment drive, offering diverse career opportunities for the students. Prof Nagarajan Ramamoorthy, Director, IIM, Amritsar, said the summer internship programme will provide valuable industry exposure, shaping the careers of students and preparing them for leadership roles.
