Placement Co-Chair, IIM Amritsar

Dear Business Leaders,
Greetings from IIM Amritsar!

IIM Amritsar, established in 2015 by the Government of India as the country's 15th IIM, has emerged as a premier hub of budding managerial talent. In a short span of eight years, IIM Amritsar has carved a distinct identity among corporate recruiters. Their exponentially growing participation in the summer internship and final placements process bears testimony to the institute's solid intellectual capital and vibrant learning environment.

Enabled by the dynamic leadership of our director, and guided by an accomplished & experienced faculty team, we strive for excellence in management education. In terms of pedagogy & courseware, learning assessment and evaluation, academic and extra-

curricular rigor, we have continued raising the bar as one of the fastest-growing institutions in the country.

In 2022-23, we attracted unprecedented interest and participation from first-time recruiters. This is indeed a resounding vote of confidence and a humbling responsibility for us. Academically, the institute has taken significant strides in the last year. We have started three innovative programs – a specialized full-time MBA program in HR, an MBA program in Analytics, and an EMBA program for working professionals.

With great pride and confidence, we present to you the students of our flagship MBA program. Apart from robust business acumen, our students possess integrity, emotional intelligence, perseverance, critical reasoning, and decision-making skills. We urge you to experience the enthusiasm and dynamism of an IIM Amritsar student-manager!

We look forward to a long and fruitful association in accelerating your organizational growth.
